My name is Dr David Kim and I am a registered candidate in the forthcoming Federal Election for a Senate Seat in the Electorate of Senate.

I am an endorsed candidate for the Christian Democratic Party (CDP).

This is why I believe I am qualified to be a parliamentarian (50 words or less):

As this is my second time running as a senate candidate of the same party, I am well aware about the need of political transformation in our nation. The society becomes more liberal, but I believe that some traditional concepts should be still respected. I am happy to represent those voices.

If elected, this is how I will engage with, consult and report to my electorate during my term in parliament. (100 words or less)

- ✓ Freedom of Religion
- ✓ Alternative Safe School program

- ✓ Morality and ethics (pro-life)
