

# COMPARE YOUR CANDIDATES

## 2020 ACT Legislative Assembly Election

We invite you to compare the candidates in your electorate at our website:

<https://canberra-alliance.org.au/ag-e2020/>

Candidates are seeking your vote to represent *you* in the Assembly.  
But what do you know about them and how they will do the job?

CAPaD has invited all candidates to tell you:

- why they are qualified to represent you
- how they will protect good government and
- how they will support public participation in policy and decision making.

Where they haven't given a statement, think about what that means.

***Then* decide who you want to vote for.**
