

# COMPARE YOUR CANDIDATES

2020 ACT Legislative Assembly Election

**We invite you to compare candidates  
in your electorate at our website:**

**<https://canberra-alliance.org.au/ag-e2020/>**

**Candidates are seeking *your* vote to represent  
*you* in the Assembly.**

**But what do you know about them  
and how they will do the job?**

CAPaD has invited all candidates to tell you:

- why they are qualified to represent you
- how they will protect good government and
- how they will support public participation in policy and decision making.

**Where they haven't given a statement, think about what that means.**

***Then* decide who you want to vote for.**
