We know you care. How can you contribute to CAPaD in 2024?

This year we focus on two bands of activity: how to choose good candidates for the 19th October ACT election, with some data analysis of that, and preparing for the Know your Democracy project.

Thank you to those who responded to last weeks invitation.

We need both **funding** to pay for media time, to guarantee we can get our voice heard, and **volunteers** to help with these tasks from now to November (you can volunteer for as much or as little as you can find time and energy for):

Election activity

March to May:

- Booking venues
- Helping organise events such as the electorate town hall meetings in September
- Helping to design the pre- and post-participation surveys relating to the conversations and town halls, and post election reflection exercise
- Volunteer coordination
- Helping to coordinate the kitchen table conversations
- Running a kitchen table conversation (information will be provided)
- Helping collate and report the outputs from these conversation series

June to August:

- Helping to administer, collate, analyse and report the pre- and post-participation surveys relating to the conversations
- Publicising the outputs from the KTCs

September – October:

- More of the above, plus helping with Town Halls and media publicity
- Publicising the criteria for a good candidate
- Further media work
- Helping to administer, collate, analyse and report the post-participation surveys relating to the conversations, town halls and election activity overall.
- Last election we raised $2,676 in donations. Note donations cumulatively greater than $1000 per individual/organisation are directly reportable to Election ACT.
- Find out more on our Elections webpage. We will provide more task specific details when you come onboard.

Know your democracy

- Help in setting up and running one or two philanthropic grant proposals (if successful; we find out in June):
  - Project officer position (12 months)
  - HR support: recruitment, contracts, …
  - Getting good Representation – building a dashboard from the criteria from the KTCs
  - Know your democracy videos – focus groups with young people, video scripting and design

- Coming on board as the project officer (if we are successful)

Across the whole year:

- Setting up a podcast
- Help with building up the Education for Civics project – literature review, draft plan

Please help in any way you can.
