

Beyond Policy & Promises Know Your Candidates the people who represent you

Candidates' Questions:

1. What qualifications and diverse experience do you bring to the job of being a representative? How can you demonstrate these?
2. What leadership experience can you demonstrate to the community?
3. How are you going to engage your community in the processes of policy development and decision-making, in order to be responsive to their needs? Particularly, how are you going to engage disadvantaged and marginalised people and their communities (those who traditionally miss out)?
4. How can you demonstrate how you will prioritise community interests and wellbeing over personal, party or donor interests?
5. How are you going to report back to the community how you are performing for them in the Assembly?
